To

SYED ABDUL ALEEM, ESQ., B A.,
Secretary to Government,
Revenue Department, BANGALORE.

Sir,

SUBJECT - Estimate for Rs.32,060/- for the remaining works in Kumara Park East Extension

I have the honour to state that at the time the Kumara Park East Extension, was transferred by the Public Works Department to the charge of the Board, some major works, such as roads etc, had yet to be formed and charge was given of the extension by the Trust Board in an incomplete state In accordance with the previous resolution of the Board, the Engineer Officer attached to the Board prepared an estimate for Rs 32,060/- for the construction of certain roads and execution of other major works yet to be done in the above extension and this was placed before the Board at its meeting held on 27-5-1947 for consideration The estimate was approved by the Board and it was resolved

> "That the estimate for Rs 32,060/- for works in Kumara Park East Extension be approved and sent to Government for sanction, the funds required being met from out of the amount available with Government out of the realisation by the sale of sites in the Extension "

2 Subsequently, the Engineer Officer attached to the Board brought to notice that the above estimate included a provision of Rs 1,700/- for the work of raising the masonry side walls of the Storm Water Drain in Kumara Park East in the tail end beyond the First Main Road, that this item of work formed part of the main estimate for Rs 21,000/- sanctioned separately for the construction of Storm Water Drain in the above extension, that out of this sanctioned estimate, a sum of Rs.1,688/- was remaining over unspent and that this amount would suffice for raising the masonry side walls of the Drain beyond the First Main Road and that

therefore this item of work might be deleted from the comprehensive estimate for Rs 32,060/- referred to above The estimate for Rs 32,060/- originally prepared for all the balance of work to be done in Yumara Park East Extension has accordingly been modified deleting therefrom the item of work for raising the masonry side walls of the Storm Water Drain at an estimated cost of Rs 1,700/- The modified estimate for Rs 30,360/-, or in round figures Rs 30,400/- prepared by the Engineer Officer is therefore forwarded herewith with the request that sanction of Government may kindly be obtained thereto, as the cost of the modified estimate is within the cost of the estimate approved by the Board

3 As the realisation from the sale of sites in this extension have been credited to Government, under "23 'A' Advances for layout of extensions", I request that the funds required to meet the cost of these works may kindly be ordered to be met out of the realisation from the sale of sites in the above Extension which have been credited to Government and the amount placed at the disposal of the Board

Sir,

Remaining Works in the Kumara Park Eastern Extension

With reference to your letter No L 13072/E dated 3-2-48 forwarding for remarks a copy of letter No S 192 dated 8-1-48 received from the Chief Engineer for Roads and Buildings in regard to the maintenance of accounts in this Office in respect of sale of sites in the above Extension, I have the honour to state that the Board has no objection to maintain the accounts in this behalf and to get up fresh estimates for works yet remaining to be executed in the said Extension and operate upon the accounts as indicated by the Chief Engineer in his letter to Government But the Executive Engineer, Buildings Division has to close the work accounts in respect of the several works executed by him and send up completion reports to the Auditor, P W Department, sending a copy thereof to this Office for reference Until it is done, this Office will not be in a position to know how the accounts stand

It is also very necessary to have a correct D C B statement prepared by the Executive Engineer, Buildings Division and sent to this Office in respect of realisations from the sale of sites in the above Extension, with information as to the total

P T O

15

outlay booked in this behalf and the balance that was available at the time of transfer of charge of the Extension to the Trust Board noting therein the number of sites formed, disposed and balance available as these returns are to be sent to the Auditor, P W Department along with monthly accounts as per his letter No 245/W4 dated 15-9-47

In this connection it may be stated that similar action has to be taken in respect of works executed in Wilson Garden Extension and similar details furnished by the Executive Engineer Buildings Division The Chief Engineer for Roads & Buildings in Mysore, Bangalore, may kindly be requested to instruct the Executive Engineer, Buildings Division, to attend to the above and furnish the details to this Office as early as possible to enable this Office to maintain further accounts in this behalf and to operate upon the funds

From the accounts of the Trust Board for October 1944 it is seen that at the time of transferring the works of Kumara Park and Wilson Garden Extension, there was an opening balance of Rs. 1,10,783-2-2 remaining under the Schedule of Advances for layout of Extensions of both Wilson Garden and Kumara Park

After these extensions were transferred to the charge of the Trust Board, a sum of Rs. 22,968-14-4 has been recovered from the sale purchasers towards the cost of sites previoulsy sold by the P W D in Kumara Park East Extension and credited to District Treasury, Bangalore, under "(A) Advances 23 other Advances(Q) Advances for layout of Extensions"

It is further seen from the Site Register that a sum of Rs 12,366-3-0 is yet to be recovered from the parties towards the value of sites sold in Kumara Park Extension Thus taking

taking into consideration the amount collected by the Trust Board and to be collected it works up-to Rs 35,335-1-4

This apart, a sum of Rs 30,400/- has been provided in the sanctioned Budget of the Board for the current year for old works in Kumara Park Eastern Extension out of Rs 10 lakhs sanctioned in the Current year's State Budget under "Layout of Extensions

In these circumstances, I request that immediate sanction of Government may kindly be obtained to the Estimate for Rs 30,400/- for the execution of the remaining works in Kumara Park East Extension submitted with this Office letter No 3285 dated 20-6-1947

To

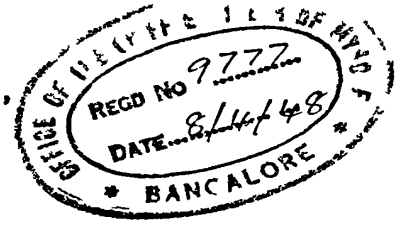
The Chief Engineer for Roads and Buildings,
in Mysore, Bangalore



Sir,

Adverting to your memo No A 9813 dated 31-3-1948 forwarding a copy of the letter received from the Secretary Revenue Department regarding the Accounts of Kumara Park layout, Wilson Garden layout and the Jayachamarajendra raod Extension I have the honour to state as follows -

1 The layout work was taken up during the year 1940-41 and the same was transferred with all the available records to Chairman City Improvement Trust Board as per G O L 855/AL 157-44-4 dated 27-7-44 communicated with your No 853 dated 27-7-44 The office copies of the D C B statements ~~xxxx~~ are not to be traceable in this office as the entire records have been handed over to the Chairman, City Improvement Trust Board as already reported to you in this office No 118 dated 5-8-44 The Auditor who inspected the office during March 1947 has made a recommendation to Government for posting the additional (Accounts) staff already sanctioned by Government, their No P W 2470-1/Est 16-46-6 to clear the arrears But so far no staff has been posted to clear the arrears

After the retrocession two new Sub-divisions were attached to this Division as per G O No 5039-43/Est 3a-47-5 dated 4-11-1947 ~~were~~ and two Accounts Clerks were sanctioned against these vacancies The Auditor has posted two Recruits against these vacancies after a lapse of 3 months At present the Accounts Staff is inadequate to cope up with the work Even the current work is falling into arrears Superintending Engineer, Mysore Circle, who inspected this office during February has made a reference to you in his No C 423 dated 25-2-1948 regarding the arrears of work A detailed statement of arrears work is being submitted to Superintending Engineer as desired in his inspection notes Under these circumstances, I regret to submit that it is not possible to prepare the D C B Statement with the existing accounts staff The Auditor Public Works Department has been addressed in the matter of posting experienced Accounts Clerks

Re - Mr M Kuppu Rao, Accounts Clerk

In continuation of this office No 219 dated 18-2-1948 forwarding the leave application of Mr M Kuppu Rao, I have the honour to state that the Accounts Clerk applied for 9 days Privilege leave from 11-3-48 He was granted the Privilege leave with definite instructions not to extend the leave any more But he has extended the leave on grounds of ill health and has requested to kindly grant him furlough applied for already

The work in this Division is increasing rapidly and many bills are pending I request you to kindly post an experienced accounts Clerk in his place early The leave application and the letter received from Mr Kuppu Rao is enclosed herewith for information

I wish to add that due to the absence of Mr M Kuppu Rao who probably will not return todutty please vide this office No 219/3 dated 18-2-48 enclosing his furlough leave application and the incompetence of the nearly posted raw recruits viz Messrs Ramalinga Rao and Muthiah who have neither the industry, capacity nor willingness to work the work of this heavy Division is badly delayed Contractors bills are not being passed promptly due to want of hands for audit purposes and complaints are being received regarding delays in furnishing accounts schedule - dockets etc Under the circumstances I request you to be so good as to post one experienced Accounts Clerk immediate in place of Mr M Kuppu Rao and a good substitute in place of Muthiah who is absolutely useless for the Accounts work
